

NEWSLETTER OF THE GRAND CHAPTER OF ROYAL ARCH MASONS OF SOUTH CAROLINA

FALL EDITION

Companions:

We have entered our Third Quarter of the 2018 Year. I would like to encourage each of you to reflect on the importance of our Chapter Degrees. This quarter my remarks come from the Most Excellent Master Degree.

In this degree, we learn that the ceremonies of this degree are intended to represent those of the completion and dedication of King Solomon's Temple. It was a time of fellowship, harvest, giving thanks to the Lord and worshipping Him. This great edifice that was erected was dedicated to the Service of the Supreme Being. We should never forget the great saying that this degree presents to us on a daily basis: "For he is good; for His mercy endureth forever!"

It is one of the great duties, as a Most Excellent Master, to dispense light and truth to the uninformed Mason; and I need not remind you of the impossibility of complying with the obligation without possessing an accurate acquaintance of the full meaning of this degree. So as the Temple was completed, Fall represents the completion of the Harvest from the Fields, a beautiful change in the plant growth as it gets ready for a dormant period so that new life will begin later, so are we. Life begins in youth, grows to adult and matures, reaches maturity with wisdom, to then enter a fall of rest when the work is done. But rest assured, if you will practice the teachings of that "GREAT LIGHT," you will be respected by all men; it will never mislead or deceive you, but a strict observance of its holy precepts will fit and prepare you for usefulness in this life and for a glorious inheritance in that which is to come.

Always remember this: "For He is good; for His mercy endureth forever!"

In closing, Let us all work together in Brotherly Love and Fellowship for the up building of Royal Arch Masonry in our local Chapters and in the Great State of South Carolina.

Sincerely submitted,

Horace Haywood Fowler
